**Committee Reports**

Randi Erickson reported on City Council activities. There will be hearings on a pesticide ordinance at 7 p.m. in Council Chambers June 10 and 17. She also presented a resolution passed unanimously by City Council on traditional semesters (Exhibit A).

Karen from Student Health Services reported on the cholesterol screenings. The lowest reading was Stacey Hargesheimer's.

Danna Jackson reported on the SLA committee on downsizing. Their proposal will be presented to the Regents in the fall. Cutting programs is at the bottom of the list. Raising standards is a good option. There is talk of institutional reconfiguration - rebuilding the U system, transferring costs to the community and turning some units into junior colleges.

Brian Wetterling reported on the Centennial Committee. There will be a 9-month celebration. Send ideas to Jodie Barber or Brian.

**Public Comment Period**

Alice Hinshaw, student representative on Honors College Advisory Committee, spoke in favor of the Honors College.

Tracie Bernardini, Honors Association President, spoke in favor of the Honors College.

Student protester felt ASUM tried to quell students with regard to CIA demonstrations.

Kelly Connole, UC Gallery Coordinator for next year, offered a petition to support keeping Gallery.

James Todd; Dennis Turner, Gallery Director; Joe Bath; and Michelle Ruble spoke in favor of retaining UC Gallery.

Melinda Pastos showed her support for UC Gallery and also urged Senate to announce approximate time Public Comment would take place on each week's agenda.

Randi Erickson clarified protest speaker position. She believes Senate is seen as conservative and uncaring.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MISSOULA, MONTANA URGING THE UNIVERSITY OF MONTANA TO COMMENCE ITS NEW FALL SEMESTER ACADEMIC CALENDAR AFTER LABOR DAY HOLIDAY TO FACILITATE STUDENT SUMMER EMPLOYMENT.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MISSOULA,

WHEREAS, the student body of the University of Montana plays an integral and valuable role in the Missoula community; and

WHEREAS, the University of Montana will adopt and implement a semester academic calendar system commencing in the fall of 1992; and

WHEREAS, the calendar date established each year as the beginning of the fall semester school term is important and critical to student academic, summer employment and financial concerns; and

WHEREAS, many University of Montana student jobs located in Montana are dependent on industries like tourism, forestry and agriculture, whose seasons end only after Labor Day Holiday each year; and

WHEREAS, the monumental change from the current quarter academic calendar system to a semester academic calendar system should be buffered with as little a change as possible in fall academic calendar year starting dates; and

WHEREAS, a later starting date would mean less time spent on campus and reduced room and board costs for students; and

WHEREAS, starting after Labor Day Holiday requires fifty-five or sixty minute class periods; and

WHEREAS, a period of at least two days is necessary between the last day of instruction and final examinations.

NOW THEREFORE, BE IT RESOLVED that the Missoula City Council favors, supports and recommends to the Board of Regents, Governor and University of Montana the Associated Students University of Montana (ASUM) request for two four-month academic semesters with fifty-five minute class periods, followed by a special semester, and an academic calendar starting date for the fall semester commencing each year after Labor Day Holiday with orientations prior to the starting date.

FURTHER, BE IT RESOLVED that the City of Missoula City Clerk send a copy of this Resolution to the Montana Board of Regents, Montana Governor Stan Stephens, University of Montana President George Dennison and the Associated Students University of Montana (ASUM).

PASSED AND ADOPTED this 3 day of June, 1991.

Resolution to Fund the Honors Program Through a Super-Tuition

Whereas, Funding for the newly proposed Honor's College will most likely come at the expense of one of our current academic programs;

Whereas, An honors education comes as an addition to major areas of study and is above and beyond that of a traditional degree;

Whereas, several other UM colleges charge similar fees for educational programs that have been determined to provide extended services to a limited number of students;

Whereas, both the Faculty and ASUM Senate endorsed the Honors College only by slim margins and under heated debate;

Therefore be it resolved that the ASUM Senate request the funding for the Academic Honors College be generated from a super-tuition fee paid by those students who wish to join that program.

A RESOLUTION  
TO INCREASE THE STUDENT UNIVERSITY CENTER FEE

Sponsors: Greg Lewis  
Meg Oliver

Purpose: To save University Center activities and organizations from being eliminated or severely reduced due to presently inevitable increases in University Center costs.

Whereas: The following areas of the UC would be drastically reduced or completely cut from the University Center:

- a. Scheduling's PR account
- b. UC Programming Non Income Events
- c. Position in Commissary
- d. Overall operating hours
- e. Hellgate Dining Room (eliminated)
- f. Art Gallery (eliminated)

\*This list is subject to change as recommended by the committee of Student Union Board.

Therefore be it resolved that the students at the University of Montana have an increase in their University Center fees of \$2.00 for the next three consecutive quarters.

# A RESOLUTION CALLING FOR A USERS STUDY GROUP ON POLYSTYRENE

Whereas, Students have asked that the Copper Commons and other UC businesses switch from the use of polystyrene to that of paper; and...

Whereas, these businesses have expressed a willingness to do so but are unable to do so because of the current stance of the State Purchasing Office; and...

Whereas, the agent of the State Purchasing Office, Terri Howel, agreed to form a Users' Study Group on the issue and later delayed forming that group until a EQC study on the subject was finished; and...

Whereas, the ASUM groups involved, Earth Awareness and Student Action Center, later discovered that the Environmental Quality Council neither undertook or planned to undertake such a study; and...

Whereas, it is time to resolve this issue;...

Therefore Let It Be Resolved...

That the Associated Students of the University of Montana demand that the State Purchasing Office immediately begin the process of forming a Users Study Group on the use of polystyrene in State institutions which includes student representatives from the University of Montana.

Let It Be Further Resolved that the Senate will empower ASUM Senator JV Bennett to begin discussions with the State Purchasing Office over the Summer as the agent of the Senate, Earth Awareness, and the Student Action Center, with the expressed purpose of setting up a Users' Study Group on polystyrene to begin at the start of Fall Quarter. to this end a copy of this resolution will be sent to Terri Howel at the state purchasing agent along with a letter of intent.

A RESOLUTION TO INVITE THE DAI<sup>L</sup> LAMA  
TO THE UNIVERSITY OF MONTANA<sup>^</sup>

Whereas, the Dal<sup>L</sup>i Lama is the spiritual leader of Tibetan Buddhism, the head of the Tibetan<sup>^</sup> Government in Exile and a recipient of the Nobel Peace Prize; and...

Whereas, the Mansfield Center and the Missoula Tibetan Center are currently in the process of inviting His Holiness the Dal<sup>L</sup>i Lama to speak at the University of Montana; and...<sup>^</sup>

Whereas, it would be appropriate for the Senate as the body representing the students of the University of Montana to add their voice to this letter;...

Therefore Be It Resolved...

That the Associated Students of the University of Montana draft a letter of invitation to the Dal<sup>L</sup>i Lama.<sup>^</sup>

PARKING FEE INCREASE RESOLUTION

Whereas, parking at the University and the issues surrounding it are a large concern to University students:

Whereas, the proposed parking fee increase of \$9.00 for the next fiscal year (91-92) will provide the necessary revenues needed for maintenance and repair of campus parking lots and streets:

Whereas, current revenues from the parking fee are inadequate for future maintenance projects and the continuation of existing parking programs (e.g. free Mountain Line Bus use and improved bicycle parking):

Therefore, be it resolved that:

The ASUM Senate approve the \$9.00 parking fee increase for student, faculty, and staff parking decals. This increase is approved for the 1991-1992 school year. The additional monies from the increase are to be spent in a way that best follows the longterm parking plan presented to the ASUM Senate at its May 29, 1991, meeting.
